

Business Beautification Award

Nomination Form

Business Beautification Awards are presented to company owners to recognize businesses that exemplify innovative and extraordinary beautification efforts. The award is given in recognition of enhancing the visual image of properties through restoration, renovation or repair, and overall aesthetic appeal. The public is also invited to nominate beautification projects they believe are worthy of recognition.

Criteria for nominations are based on a combination of elements, including:

- General appearance
- Use of landscaping
- Overall neighborhood impact

Each nominated property will be visited and judged by the Award Committee, composed of the Jerome Chamber Ambassadors.
